

ORCAS ISLAND HISTORICAL SOCIETY & MUSEUMS

ANNUAL REPORT 2017

ANNUAL REPORT 2017

I want to thank all of those who have been so generous with their financial support this past year, our dedicated board of trustees, our enthusiastic staff and many volunteers. OIHM had a very strong year. We continue to preserve the nearly 6,000 objects in the museum's collection. The precious archives and artifacts tell

the stories of our island's history and provide an important window into our past. I invite you to join in celebrating our accomplishments. I encourage you to learn more about our exhibits, programs, research center and publications. Consider being an active volunteer. Thank you for your continued support.

With Appreciation,

Jerry Smith,
President

What a joy it has been to lead Orcas Island Historical Society and Museums this past year. To remain relevant and responsive to the evolution of the island and preserving and sharing Orcas' history is a continuing challenge. I thank our donors, staff, volunteers, and dedicated board members invested in the stewardship of our history.

A few of my favorite moments this year include sharing oral history recordings with family members, assisting researchers in combing through our archives, recruiting new volunteers and bringing together the community to hear from local authors on local history. All of these moments highlight OIHM's continued importance in our communities.

I look forward to another exciting year, as we have new exhibits planned, new programs to present, many visitors to welcome, and your ongoing support of this valuable and vibrant Orcas institution.

Brittney Maruska
Executive Director
